The Audi Q5

A different kind of SUV.

Our latest Audi Q5 has been redesigned from the ground up. The result is a combination of smooth contours, lightweight engineering and cutting-edge technology. With enhanced suspension and a range of updated engines to choose from, this is our best-selling SUV, re-imagined.

The Exterior

Beautifully sculpted, expertly engineered.

Taut. Defined. Powerful. The curved shoulder line and flared wheel arches give the Audi Q5 a profile that's unmistakable. Upgrade to Matrix LED headlights and the distinctive face becomes all the more striking. At the rear, the wraparound tailgate smoothly integrates the tailpipes, with strong horizontal lines giving real presence.

Feel closer to the road.

When you're behind the wheel, the newly developed five-link front suspension combines sporty handling with exceptional comfort. Adaptive air suspension, also available as an option, gives a smoother ride on uneven terrain. And torque vectoring distributes power intelligently between the wheels for an even more engaging experience.

The Interior

Surrounded by luxury.

The first thing you'll notice on stepping into the Audi Q5 is space. There's more headroom, legroom and cabin space than the previous model, creating a calm ambience for driver and passengers alike. Premium materials combined with ergonomic controls add to the overall sense of luxury.

Your personal space.

You can personalise the cabin to suit you perfectly. In the dark, optional ambient lighting gives a whole new dimension to the car's interior, using a choice of 30 different colours to create a unique look. And there's also more boot space than before, with 550 litres of storage, which can be expanded up to 1,550 litres, meaning you should never be short on room for your luggage.

Technology

Technology to show you the way.

The Audi Q5 features optional personal route assist, which works with your Satellite Navigation system to learn the routes you use most commonly. It's just one of the innovations designed to help you on the road. Others include Audi Pre-sense City, which can initiate emergency braking when a collision looks imminent, and optional cross-traffic assist rear that provides an extra pair of eyes when you're reversing.

SQ5

Enhanced style. Elevated power.

There's much more to the Audi SQ5 than striking looks and enhanced body styling. This performance SUV also delivers breathtaking power, harnessed with exceptional agility and handling. Driving dynamics can be enhanced further thanks to our optional equipment such as quattro with Sport differential or 'S' adaptive air suspension that ensures outstanding comfort on even the most unpredictable of road surfaces.

SQ5

Designed for performance.

The Audi SQ5 is capable of 0–62mph in just 5.4 seconds. And, with an 8-speed tiptronic transmission, gear changes are just as quick – and effortless. With quattro all-wheel drive and a 3.0-litre TFSI V6 engine, it's a true sports model that promises an exhilarating drive.

Vorsprung durch Technik

Not just a slogan. A philosophy.

Progress. It's behind everything we do at Audi. It's why, in the Audi Q5 range, we've incorporated new technologies to help you on the road and engines to deliver impressive performance and fuel economy.

The Audi Q5 is the embodiment of our forward-thinking approach.

Driving confidence, whatever the weather.

Loose gravel. Icy patches. A tight bend in the rain. Conditions on the road are always changing, so quattro changes too. Standard on the Audi Q5, it analyses your grip – automatically distributing power between all four wheels to where it's needed most. It's made for the most challenging conditions of all – the ones you encounter every day. Whatever the road holds, you can be confident that quattro will react.

quattro

Reactive.

Predictive.

Proactive.

**All-wheel drive when you need it.
Front-wheel drive when you don't.**

Our predictive quattro on-demand system, available with the 2.0 TDI 190PS and 2.0 TFSI 252PS engine, can switch between the two in a fraction of a second.

It does this by analysing the road in the same way a driver does. A camera watches the road ahead for changes, while sensors monitor your steering and acceleration to determine which drive is best for you.

As a result, potential fuel consumption is significantly reduced compared to a car with permanently engaged all-wheel drive. Yet you still have all the benefits of quattro, as the system is always ready to step in when needed.

Reactive. Predictive. Proactive. Our quattro on-demand system engages all-wheel drive at precisely the moments when you'll benefit. And not a second sooner.

quattro

on-demand

LED lights Matrix

Illuminating features.

The Audi Q5's new optional Matrix LED headlights produce a light similar in colour to daylight. They also incorporate sensors and an inbuilt camera that detects other road users, as well as ambient light in built-up areas. They then react by dipping individual LEDs to reduce the risk of dazzling other road users, while still fully illuminating the remainder of the road.

Where available, Matrix LED technology will even use the vehicle's navigation data to anticipate corners, adjusting LEDs as you negotiate the bend. The result is a much wider visual range, benefitting both you and other road users. Dynamic sweeping indicators complete the striking look at the front and rear.

Bring your phone to the fore.

Imagine being able to use your smartphone applications safely while driving. The Audi Smartphone Interface, standard on the Audi Q5, lets you do just that.

Satellite navigation. Music streaming. Your contact list. Now you can access apps, approved for in-car use by Android and Apple, from the MMI controls on the Q5's centre console, and from the multi-function steering wheel.

Simply connect your compatible smartphone via USB* and approved apps appear in full colour on the central MMI screen.

Smartphone Interface

Finding your way.

You can now use Apple and Google Maps™* as your navigation system. Turn-by-turn directions, traffic guidance and estimated arrival times are easy to see on your MMI screen without having to touch your phone – and addresses from your email, texts, contacts and calendar can be added as destinations. Don't forget, planning your journey at home reduces data usage while on the move.

Google Maps™*

Your own soundtrack. Keeping in touch.

You can play music stored on your phone as you drive, controlling it simply and intuitively through the interface. Streaming services are also available, including Spotify and Google Play Music.*

Spotify and Google Play Music*

With Audi Smartphone Interface, any text messages you receive while driving can be read out to you – and if you need to respond, you can do so simply by dictating your message. But not only that. You can also use approved third-party apps* like WhatsApp to keep in touch while driving.

WhatsApp, Skype and Google Hangouts*

What's on your phone is now available on the road.

The Audi Smartphone Interface makes linking your smartphone* to your car quick, safe and easy.

With Android Auto and Apple CarPlay, you can access approved apps* from your phone safely via the Audi Q5's MMI system – either by voice or fingertip control. So you can make calls, receive and dictate messages, navigate, select music and podcasts and much more without taking your eyes off the road.

All imagery on these pages shows use of Apple CarPlay with Audi Smartphone Interface. *Availability of applications differs by operating system and is dependent on approval by Apple or Google. An up-to-date list of approved apps is available on the relevant systems' websites. Permanent availability cannot be guaranteed as this is the responsibility of Apple and Google. Use of certain apps with Audi Smartphone Interface will be subject to signal availability of the mobile network in your location and in-car usage may increase your mobile data usage. If using regularly, a mobile phone contract including an unlimited or high amount of data is recommended. *Audi Smartphone Interface uses Apple CarPlay, which is available with iPhone 5 and above, or Android Auto, which is available with phones using Android 5.0 Lollipop or above.

Connect

Infotainment Services

The world at your fingertips.

Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions via scrolling, tapping or verbal commands.

With high-speed 4G internet access in your car, via an embedded SIM card with no data charge, you can call up flight information, fuel prices and weather, as well as high-resolution aerial and satellite pictures from Google Earth™.

Audi Connect Infotainment Services is available as a 3-month trial on Sport and S line models or a 36-month subscription is available to purchase as part of the Technology Pack and is also standard on SQ5.

Connect

Infotainment Services

Stay connected on the move.

The following Audi-supported services are currently available:

Infotainment.

Weather information

Gives you the latest weather for today, as well as weekly forecasts and a weather map for your chosen destination.

Online news (individual)*

Text and images from a variety of news sources with text-to-speech function so you are kept up to date with what's happening in the news.

Through your myAudi account, you can personalise the news feeds that you want to see, displayed under Online news by entering the URL of your chosen RSS feed.

Communication.

Twitter*

Enables you to tweet and receive updates on the move, with text-to-speech and other convenient text functions.

Wi-Fi hotspot data plans*

Purchase a data plan via myAudi to create a Wi-Fi hotspot within your vehicle, so that you can connect your mobile devices to the internet.

Mobility and navigation.

Navigation with Google Earth™

Displays high-resolution aerial and satellite images to help guide you to your destination.

Points-of-interest (POI) search with voice control

Allows internet searches via Google for special destinations so that you can access POI information such as opening hours, visitor reviews and photos. Integrated voice recognition, which can be conveniently operated by pushing the button on the multi-function steering wheel, offers even more convenience. You can also access POI information straight from your smartphone with the Audi MMI app.

Destination entry via Google Maps™ and myAudi*

Using your smartphone or tablet and myAudi, you can conveniently plan your journey using Google Maps™, or from your myAudi account, and send the destination details to your car's navigation system.

Travel information

With Travel information you can find out what's happening nearby and at your destination. The online search engine provides detailed information such as sights, restaurants, shops, etc. which can be loaded directly into your navigation destination. You can also access travel information from your smartphone with the Audi MMI app.

Parking information

Helps you find car parks nearby and, where available, information on prices and currently vacant spaces.

City events

The City events function provides information about current events and places of interest at your location or travel destination.

Flight information

Get live information about departure and arrival times and search directly for flight numbers.

Train information

Find departure and arrival times and platform information while you're on the road (also available for other types of public transport such as underground systems).

Fuel prices

Information on filling stations with the cheapest prices in your selected search area. You can sort by price or by distance for your convenience, and can load destinations directly into your navigation system.

Traffic information online

Receive the latest information about your route, such as traffic congestion and roadwork updates. The traffic information data is continuously updated and displayed in colour on the navigation map, and the dynamic route guidance will keep you updated.

The content and scope of the Connect Services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services. Terms and conditions apply. Please see pages 69 and 70 for additional information.

*In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi.

Audi

Connect

Safety and Service

Reassurance comes as standard.

Should you ever find yourself in an emergency situation, it's good to know that with Audi Connect Safety and Service, you'll also have access to the emergency services* or Audi Roadside Assistance.* And with Audi Connect Safety and Service, you can locate your car, check your vehicle status and lock/unlock your Audi from a distance via your smartphone.†

*These services are only within the range of the selected mobile phone network operated by Audi's chosen mobile phone provider.

†In order to activate these features, customers must register and accept the terms and conditions on myAudi.

Audi

Connect

Safety and Service

Help is on hand with Audi myService.

Dealing with an emergency is stressful enough, so we give you one less thing to worry about – providing a link to the emergency services, Audi Online Roadside Assistance and your chosen Audi Service Partner.

Emergency Call

In an emergency, time is of the essence. That's why your Audi comes with an SOS button that can call for urgent assistance when pressed. In the unfortunate event of the car detecting a major accident*, it will automatically place a call to an Audi partnered emergency call centre, who will send emergency assistance to your GPS location.

Online Roadside Assistance

In case of a mechanical fault or minor accident, just press the Online Roadside Assistance button. It will connect you to an Audi Roadside Assistance call centre, which can quickly establish your location and what kind of assistance you require.

Audi Service Request†

After activating this feature on myAudi, your chosen Audi Service Partner can receive relevant vehicle service data sent directly from your car to tell them when your car requires a service. They will then contact you in advance to arrange a booking.

Audi Incident Assistance

If the car detects a minor incident or breakdown, the car will notify and prompt some options through the MMI, such as to call the emergency services or roadside assistance.

Remote control your Audi with myCarManager.

Audi myCarManager lets you locate your car, check its status and lock/unlock the doors from a distance via your smartphone or tablet. So if you want to check up on your Audi but can't spare the time to get away, you can reassure yourself even when you're far away.^\

Vehicle status report†

How many miles of fuel have I got left? What's my current mileage? Is the car locked? Have I turned the lights off? With an Audi Connect MMI app on your smartphone or tablet, you'll have the answer instantly.

Remote lock and unlock†

If you forgot to lock your car, or you need to give someone urgent access, don't worry: even if you're some distance away, you can lock and unlock your Audi via your smartphone or tablet.

Theft alarm notification†

Once set up, if the car detects a vehicle theft through the anti-theft alarm system (such as someone breaking the windows), an alert will be sent through the MMI connect app.

Car finder†

A common frustration is forgetting where you parked your car. With myCarManager you can check where you last switched the ignition off on a map to help locate your car.

*For example if the vehicle's airbags or seat belt tensioners have been activated.

†In order to enjoy these services, customers must register, accept terms and conditions and follow the activation steps instructed on myAudi. Terms and conditions apply. Please see pages 69 and 70.

^Audi MMI Connect app required.

Customisable control.

The information you need is always changing, so the Audi Virtual Cockpit changes too. Available as an option, it replaces the traditional dashboard with a high-resolution, 12.3" LCD screen, which you can customise by pressing the 'view' button on the multi-function steering wheel.

Choose the 'classic' view, with prominent speedometer and rev counter, or the 'infotainment' view, which brings functions such as the navigation map or media to the fore – with crisp 3D graphics and highly detailed effects.

Everything you need to know right in front of you: it's the embodiment of Vorsprung durch Technik.

Virtual Cockpit

Build your **Audi**

**Express your individuality
with a choice of standard
and optional features.**

The following sections of this guide are designed to make it easy for you to understand the specification of your Audi Q5 and select the options you want. So with just a few choices, you can begin to create the Audi you've always imagined. However, if you want more details, please download the relevant pricelist from www.audi.co.uk/pricelist

Audi Q5 SE

The SE specification offers a high level of equipment as standard. Highlights include Xenon headlights with LED daytime-running lights, Audi Parking System Plus and Audi Pre-sense City accident detection.

Equipment highlights include:*

- ▶ 18" x 8.0J '5-twin-spoke dynamic' design alloy wheels
- ▶ Comfort Dynamic suspension
- ▶ quattro on-demand
- ▶ Xenon headlights with LED daytime-running lights
- ▶ Standard seats in Twin leather
- ▶ Heated front seats
- ▶ Inlays in Aluminium Rhombus
- ▶ High multi-function 3-spoke leather steering wheel
- ▶ Power-operated tailgate
- ▶ MMI Radio Plus with 7" colour MMI screen and controller
- ▶ Cruise control system with speed limiter
- ▶ Audi Parking System Plus
- ▶ Audi Pre-sense City

Main images. Q5 SE in optional Azores green, metallic paint. 1. High multi-function 3-spoke leather steering wheel. 2. MMI Radio Plus with 7" colour MMI screen and Audi Smartphone Interface. 3. Deluxe 3-zone electric climate control. 4. Standard seats in Twin leather in black.

Audi Q5 Sport

Specification in addition or replacement to SE.

The Sport trim adds styling upgrades both inside and out for an enhanced, sporty look. 18" alloy wheels and air inlets in Matt titanium black make a striking impression, while the LED Interior Lighting Pack gives a unique ambience inside.

Equipment highlights include:*

- ▶ 18" x 8.0J '5-arm star' design alloy wheels
- ▶ Radiator grille in Twilight grey with horizontal Matt aluminium struts
- ▶ Air inlets in Matt titanium black, with blades in Matt aluminium silver
- ▶ Front Sport seats in Twin leather
- ▶ 4-way electric lumbar support
- ▶ LED Interior Lighting Pack
- ▶ MMI Navigation (SD card-based)
- ▶ Audi Connect Infotainment Services (3-month trial)[†]

Main images. Q5 Sport in optional Navarra blue, metallic paint. 1. MMI Navigation with 7" colour MMI screen. 2. Audi Connect Infotainment Services (3-month trial). 3. Front Sport seats in Twin leather in black.

Audi Q5 S line

Specification in addition or replacement to Sport.

The S line specification includes an upgrade to larger 19" alloy wheels and enhanced S line exterior styling. These aren't the only features that stand out on the road. LED headlights with a signature Q design make this car just as attractive, day or night. Inside, front Sport seats and contrast stitching give an unmistakably premium feel.

Equipment highlights include:*

- ▶ 19" x 8.0J '5-twin-spoke star' design, diamond cut finish alloy wheels
- ▶ S line exterior body styling and badging
- ▶ LED headlights with LED rear lights and dynamic indicators
- ▶ Front Sport seats with 'S' embossed logo in leather/Alcantara
- ▶ Inlays in Matt brushed aluminium
- ▶ High multi-function 3-spoke leather steering wheel with grips in perforated leather and 'S' badging
- ▶ Gear-lever knob in black perforated leather
- ▶ Illuminated door sill trims with 'S' logo
- ▶ Privacy glass
- ▶ Contrast stitching on seats, steering wheel and gear-lever gaiter

Main images. Q5 S line in optional Daytona grey, pearl-effect paint. **1.** Illuminated door sill trims with 'S' logo. **2.** High multi-function 3-spoke leather steering wheel with grips in perforated leather and 'S' badging. **3.** Front Sport seats with 'S' embossed logo in leather/Alcantara. **4.** Inlays in Matt brushed aluminium.

Audi SQ5

Specification in addition or replacement to S line.

The SQ5 comes equipped with 20" alloy wheels, 'S' suspension with damper control and a 3.0-litre V6 engine. But there's much more to this car than performance alone. From 'S' styling to innovative technology, including MMI Navigation Plus and Audi Connect Infotainment Services, it represents the very latest in Audi engineering.

Equipment highlights include:*

- ▶ 20" x 8.0J '5-twin-spoke star' design contrasting grey, diamond cut finish alloy wheels
- ▶ 'S' suspension with damper control
- ▶ Audi Beam
- ▶ 'S' specific exterior body styling and badging
- ▶ Front 'S' Sport seats with 'S' embossed logo in Fine Nappa leather upholstery with diamond stitching
- ▶ Electrically adjustable front seats
- ▶ Gear-lever with diamond 'S' badge in black leather
- ▶ High multi-function 3-spoke leather steering wheel with 'S' badging and aluminium effect paddles
- ▶ MMI Navigation Plus with MMI Touch
- ▶ Audi Connect Infotainment Services

Your colour

Express your individuality with a choice of standard and optional paints.

Choose from a selection of 2 standard or 10 optional paint colours. You can also choose from an additional colour on S line trims and SQ5.

Standard colours*

Optional colours*

Optional colours*

S line and SQ5 colour

Optionally available on S line and SQ5 models only

Visit your local Audi Centre for more colour options

*Colour availability is dependent on trim choice. For details, please download the pricelist from www.audi.co.uk/pricelist
*Not available on SQ5.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate. Visit your local Audi Centre for a more accurate colour swatch. Options are subject to availability and may extend time taken for delivery.

Audi exclusive paint

Make your Audi Q5 truly unique.

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. There are over 50 exclusive paints* to choose from, a selection of which you can see below, or specify any other paint colour in the Audi range. You can also order customised paint+ – if you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.

*Audi exclusive paint is subject to factory approval. Visit your local Audi Centre for colour samples.
+Customised paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate. Visit your local Audi Centre for a more accurate colour swatch. Options are subject to availability and may extend time taken for delivery.

Your design

Style your Audi Q5 with a choice of alloy wheels.

Whatever your taste, there's a set of alloy wheels that will enhance the look of your Audi Q5. This is just a selection – discover more online using the Audi configurator or by exploring the full pricelist.

19" x 8.0J '5-spoke dynamic' design, diamond cut alloy wheels

18" x 8.0J '5-twin-spoke dynamic' design alloy wheels

20" x 8.0J '5-segment-spoke' design contrast grey, diamond cut alloy wheels

19" x 8.0J '5-arm wing' design alloy wheels

19" x 8.0J '5-twin-spoke star' design, diamond cut alloy wheels

20" x 8.0J '10-Y-spoke' design, cast aluminium alloy wheels

Wheels shown may not be available on all trims. Please note that the size of your chosen Audi Q5 wheel may affect the fuel consumption figures and the CO₂ emissions. This may result in a change in subsequent Vehicle Excise Duty payable. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Your upholstery

Sporty or luxurious, you'll find the style and colour of upholstery that fits you perfectly.

There's a range of distinctive upholstery choices and seat options, including front Sport seats with distinctive contrast stripes. You can choose materials from stylish cloth to luxurious leather in a number of different colour options. Visit the Audi configurator or browse the pricelist to tailor your Audi Q5's seating to suit you perfectly.

Main image shows optional front Super Sport seats with Fine Nappa leather in black with Rock grey stitching. Upholsteries shown below may not be available on all trims. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

*Wireless charging requires a Qi-enabled phone.
Options are subject to availability and may extend time taken for delivery.

Your configurator

The easy way to build your Audi.

Our online configurator makes it simple to create your ideal Audi, using the options featured in this brochure or in the Audi Q5 Pricelist.

Visit www.audi.co.uk/configurator to create your perfect Audi Q5

Audi Genuine Accessories

Personalise your Audi today.

Make your Audi Q5 your own by adding some genuine accessories. They're all created by Audi and specially crafted for our models, so they'll deliver the high standards you expect. What you see here is just a selection. See the full collection at www.audi.co.uk/accessories or speak to your Audi Centre for pricing.

All weather mats

Protects your interior from mud, spills and daily wear and tear.

Audi Beam

Projects the Audi rings on to the ground with LEDs when the door is open.

Safety harness for dogs

Makes journeys safe, legal and easy for driver and dog: sizes S/M/L.

Roof box

Adds to the Q5's already generous luggage capacity.

Touring Pack

Includes a cool box, rear seat storage and more.

Comfort Pack

Helps you get organised – featuring a handy boot tidy and coat hanger.

Your finance

Get your finance quote in seconds.

Simply go to www.audi.co.uk and enter a few details to see the monthly payments you could be making on a new Audi Q5. Below we've outlined some of the different options available – you just need to choose your annual mileage and length of term, then pay an initial deposit that could be as little as one monthly payment.*

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculator

Use our online Finance Calculator to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators to see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance[†] is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. †Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Important information

Welcome to Audi.

By placing an order for your Audi, you're choosing to drive a car created in the spirit of Vorsprung durch Technik. And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited mileage in the first 2 years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year Accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information. Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this guide

We've done all we can to make the specifications and technical details and all other information you see in this brochure accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

You'll find full pricing information in the pricelist, which can be downloaded from www.audi.co.uk/pricelist

The images featured in this brochure are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Vehicles registered on or after 1 April 2017

Petrol and diesel engines	First year	Standard rate* (second year onwards)
A – 0g/km	£0	£0
B – 1 to 50g/km	£10	£140
C – 51 to 75g/km	£25	£140
D – 76 to 90g/km	£100	£140
E – 91 to 100g/km	£120	£140
F – 101 to 110g/km	£140	£140
G – 111 to 130g/km	£160	£140
H – 131 to 150g/km	£200	£140
I – 151 to 170g/km	£500	£140
J – 171 to 190g/km	£800	£140
K – 191 to 225g/km	£1,200	£140
L – 226 to 255g/km	£1,700	£140
M – over 255g/km	£2,000	£140

Vehicle Excise Duty (VED) rates correct at time of publication, but these may alter to reflect any change in the applicable VED rate. *Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £310 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Terms and Conditions

The Audi Connect Online Services (“Connect Services”) are provided by Audi AG, and are included as standard in certain models within the Audi range of vehicles and are also available within some optional packs, such as the Audi Technology Pack. Audi AG is a company within our corporate group.

The Connect Services include:

- ▶ Audi Connect Infotainment Services (“Infotainment Services”); and
- ▶ Audi Connect ‘Safety and Service’ Services (comprising myService and myCarManager) (“Safety and Service”).

Some services require additional activation steps. In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit <https://login.audi.com>).

Some services also require the download of the Audi MMI app on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit www.audi.co.uk/connectterms

Audi Connect Infotainment Services

Audi Connect Online Infotainment Services (“Infotainment Services”) are provided via a SIM card embedded in the vehicle.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

Infotainment Services are available only within the range of the selected mobile phone network operated by Audi AG's chosen mobile phone provider (which may change from time to time) and where there is mobile reception, including an active data connection.

Data is unlimited. There are no additional charges for data roaming within the EU (although availability of these services is limited to certain countries). You will not, however, be able to use the embedded SIM to provide Wi-Fi hotspot services or to tether any other device to the embedded SIM. Should you wish to create a Wi-Fi hotspot we recommend you purchase Wi-Fi data packs via myAudi (<https://login.audi.com>). Any Wi-Fi data packs purchased via myAudi will remain with the vehicle upon sale of the vehicle and no refunds will be provided.

Important information

If you insert an external SIM card into the card slot (e.g. so as to enable Wi-Fi hotspot services), then all Infotainment Services data connections will be made via this SIM card (and not the Audi embedded SIM card) and all related data costs incurred may be charged to the customer by the provider of the plan associated with the external SIM card.

You may not use the Connect Services and the embedded SIM for any purpose other than the provision or receipt of services in accordance with these terms.

For vehicles which have hazard alert and traffic sign information features, the vehicle sensors will be transmitting information to Audi AG. This information includes, but is not limited to, vehicle location, speed signs, areas where a risk of skidding, breakdown, accident and/or reduced visibility has been identified. The data is transmitted to Audi AG and shared with other Audi vehicles with hazard alert and traffic sign information features. The data is transmitted anonymously and does not identify an individual vehicle. Such data is only held for the purpose of warning drivers of potential road hazards and change of speed signs.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription expires, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.

Audi Connect Safety and Service

Audi Connect Online Safety and Service (“Safety and Service”) is available on certain models and is provided via a SIM card embedded in the vehicle.

Safety and Service features are available only within the range of the selected mobile phone network operated by Audi AG’s chosen mobile phone provider (which may change from time to time) and where there is mobile reception, including an active data connection.

You may not use the Connect Services and the embedded SIM for any purpose other than the provision or receipt of services in accordance with these terms.

Safety and Service comprises:

- 1) myService; and
- 2) myCarManager.

For full details of the features of Safety and Service, please visit www.audi.co.uk/connectterms

MMI Navigation Plus – online map updates and myAudi Special Destinations

The map version delivered with vehicles with MMI Navigation Plus can be updated free of charge for the first five updates after vehicle delivery (which are generally issued at intervals of 6 months). The current navigation data can be downloaded from the myAudi platform at www.audi.com/myaudi and embedded in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle (subject to mobile reception and an active data connection). For further navigation updates, it is possible to purchase new navigation data maps from your local Audi Centre at extra cost – please contact them for details.

With myAudi Special Destinations, you can download your favourite POI lists available on the internet (such as favourite restaurants) and have these displayed on your navigation map. In order to enjoy this service, customers must register, accept the terms and conditions and follow the instructions given on myAudi. Please visit <https://login.audi.com/login>

Diamond cut finish alloy wheel

Diamond cut is a special finish on aluminium wheels. It is also sometimes referred to as ‘polished’ or ‘partly polished’. Special aftercare should be taken when driving in extreme wintry road conditions.

For manufacturing reasons, these wheel surfaces do not have sufficient corrosion protection for such use and they may be permanently damaged by road salt or similar.

CO2 and fuel consumption figures

Official fuel consumption figures for the Audi Q5 range, in mpg (l/100km) from: Urban 32.8 (8.6) – 52.3 (5.4), Extra Urban 44.1 (6.4) – 58.9 (4.8), Combined 39.2 (7.2) – 56.5 (5.0), CO2 emissions 164 – 132g/km.*

Official fuel consumption figures for the Audi SQ5 in mpg (l/100km): Urban 25.7 (11.0) – 26.2 (10.8), Extra Urban 39.8 (7.1) – 41.5 (6.8), Combined 33.2 (8.5) – 34.0 (8.3), CO2 emissions 195 – 189g/km.*

Fuel consumption figures are correct at time of publication. For full technical data by engine, please download the pricelist from www.audi.co.uk/pricelist

*Fuel consumption and CO2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. Optional wheels may also affect emissions and fuel consumption figures. More information is available at www.dft.gov.uk/vca
