Model featured:

The MINI Countryman Cooper S Exclusive with optional Sage Green metallic exterior paint, roof and mirror caps in black, bonnet stripes in black, Piano Black Exterior, ALL4 Exterior Styling and 19" Turnstile Spoke alloy wheels in two-tone.

Temporary restrictions may affect the availability of the model configurations shown in these images, please check with your MINI Retailer for further information.

ADVENTURE IS WAITING.

The MINI Countryman is a versatile, five-seater Sport Activity Vehicle. As big as it feels on the inside, the Countryman is still a MINI through and through. Gliding through the city, coasting through the mountains – it's all effortless. It's just under 4.3 metres long, which means it has some serious luggage capacity in addition to ample legroom.

With powerful engines, it tackles even the trickiest terrain with ease. So what are you waiting for? The world won't explore itself.

DISCOVER THE MINI COUNTRYMAN.

A VERSATILE SPORT ACTIVITY VEHICLE.

STANDARD EQUIPMENT HIGHLIGHTS.

EXTERIOR:

- LED headlights
- LED fog lights
- LED rear lights with Union Jack design
- Roof rails in silver

INTERIOR:

- Ambient Lighting
- Floor mats
- Interior lights pack
- Multi-function controls for steering wheel
- Passenger seat height adjustment

TECHNOLOGY:

- Cruise control with brake function
- Premium Pack
Comprising Active Guard, Additional Interior Lighting, Automatic air conditioning, Car Share Preparation, Comfort Access, Front centre armrest, Front passenger ISOFIX and airbag deactivation, MINI Excitement Pack, MINI Driving Modes, Seat heating and Storage compartment pack
- Rain sensor and automatic headlight activation
- Rear Park Distance Control

INFOTAINMENT:

- DAB digital radio
- Media Pack
Comprising 8.8" centre display screen, Apple CarPlay®, Bluetooth® wireless technology hands free function with USB audio, ConnectedDrive Services (including Online Search and WeatherInformation), Intelligent emergency calling (E-call), MINI Connected and Remote Services
- Navigation Pack
Comprising Navigation System and Real Time Traffic Information (RTTI)

LED rear lights with Union Jack design (shown with Piano Black bezels, as part of optional Piano Black Exterior)

MINI Navigation system with 8.8" centre display screen, included in the Navigation Pack

Real Time Traffic Information (RTTI)

CHOOSE YOUR PERFORMANCE.

COOPER

The 1.5 litre 3-cylinder petrol engine (136hp / 100kW) offers a handy blend of power and economy.

COOPER S

Better, sportier, stronger: With a 2.0 litre 4-cylinder petrol engine (178hp / 131kW), the Cooper S packs the biggest punch. Hallmarks include the red S badge, the radiator grille with honeycomb structure and the twin exhaust tailpipes.

COOPER S

The MINI Countryman Plug-in Hybrid features a clever combination: A 1.5 litre 3-cylinder petrol engine (125hp / 92kW) at the front with an 95hp / 70kW e-motor at the rear axle. The MINI Countryman Plug-in Hybrid is instantly recognisable via the yellow MINI Plug-in Hybrid logo on the side scuttles and at the rear.

STANDARD EQUIPMENT.

RAISE THE STANDARDS.

SAFETY:

- 2-tone horn
- 3-point seats belts on all seats
- Airbags (six – front, side, head and seat belt tensioners)
- Alarm System (including tilt sensor, monitoring of doors, bonnet interior and tailgate)
- Anti-lock Braking System (ABS)
- Auto Drive away Locking
- Dead-Locking Function
- Dynamic brake lights
- Dynamic Stability Control (DSC)
- Electronic handbrake
- Electronic vehicle immobiliser
- Front and rear disk brakes
- Intelligent emergency calling (MINI E-call) (automatic emergency rescue call in the event of collision, vehicle location and severity of impact also transmitted when necessary, manual activation by driver also available)
- Locking Wheel Bolts
- Rear ISOFIX child seat attachment
- Tyre Pressure Monitoring System

PERFORMANCE:

- Automatic start/stop function, including brake energy recuperation
- Double VANOS
- Electro-mechanical steering with speed-dependent steering assistance
- Fully variable valve control (Valvetronic)
- High precision injection
- MINI Twin Power Turbo
- Performance Control

Engine-dependent content:

- Automatic transmission on all PHEV variants
- 7-speed Steptronic transmission with double clutch on Cooper variants
- 7-speed Steptronic Sport transmission with double clutch (with paddles) on Cooper S variants

EXTERIOR:

- Engine designation on the right-hand side of the tailgate
- Fuel filler cap in body colour
- Heated windscreen washer jets
- LED front fog lights (except John Cooper Works variants)
- LED headlights
- LED rear lights with Union Jack design
- Model designation 'COUNTRYMAN' in individual letters centred on the tailgate
- Rear fog light
- Rear window wiper
- Roof rails in silver
- Split rear doors
- White indicator lenses

Engine-dependent content:

- Engine scoop in body colour on Cooper S and John Cooper Works 306hp variants
- Radiator grille with honeycomb structure in matt black and red S badge on Cooper S and PHEV variants
- Radiator grille with three slats in high-gloss black on Cooper
- Side scuttle in black with integrated white indicator on Cooper
- Side scuttle with integrated white indicator and red S badge on Cooper S and PHEV variants
- Single exhaust tailpipe (left) on Cooper and PHEV variants
- Twin exhaust tailpipes on Cooper S and John Cooper Works 306hp variants

INTERIOR:

- 12v socket in centre console
- Ambient Lighting
- Cup holders
- Door sill finishers (metal with 'Cooper S' for Cooper S variants)
- Door storage compartments
- Floor mats
- Folding rear seats (40:20:40)
- Glove compartment
- Instrument cluster
- Interior lights pack
- LED reading lights, vanity mirror lights, front footwell lights, spotlights on front seats
- Luggage compartment lashing eyes, four
- Mechanical seat adjustment
- Multi-function controls for steering wheel
- Passenger seat height adjustment
- Speakers, six
- Sun and heat protection glass
- Sun visor with vanity mirrors
- Steering column adjustment (height and length)
- Tool kit

INFOTAINMENT AND TECHNOLOGY:

- Cruise control with brake function
- DAB digital radio
- Day-time driving lights
- Electric windows
- Heated rear window
- Media Pack
Comprising 8.8" centre display screen, Apple CarPlay®, Bluetooth® hands free function with USB audio, ConnectedDrive Services (including Online Search and Weather Information), Intelligent emergency calling (E-call), MINI Connected, Remote Services and MINI Teleservices
- Navigation Pack
Comprising Navigation System and Real Time Traffic Information (RTTI)
- Premium Pack
Comprising Active Guard, Additional Interior Lighting, Automatic air conditioning, Car Share Preparation, Comfort Access, Front centre armrest, Front passenger ISOFIX and airbag deactivation, MINI Excitement Pack, MINI Driving Modes, Seat heating and Storage compartment pack
- Rain sensor with automatic headlight activation
- Rear Park Distance Control
- Start-stop toggle including key-less go
- On-board computer

STANDARD EQUIPMENT.

SELECT YOUR STYLE.

CLASSIC.

The Classic style comes with an extensive list of standard specifications, such as:

EXTERIOR:

- Moonwalk Grey exterior paint colour
- 16" alloy wheels on Cooper
- 17" alloy wheels on Cooper S / S E ALL4 PHEV
- Body colour roof and mirror caps

- Standard seats in cloth on Cooper / S E ALL4 PHEV
- Sport seats in cloth on Cooper S
- Sport leather steering wheel on all variants
- Hazy Grey interior trim on Cooper
- Piano Black interior trim on Cooper S / S E ALL4 PHEV
- Satellite Grey headlining on all variants

EXCLUSIVE.

The Exclusive style prizes individuality and a more refined character. It includes some exclusive MINI Yours interior and exterior features as well as upgraded equipment, such as:

EXTERIOR:

- Enigmatic Black exterior paint colour
- Exclusive 19" or 18" alloy wheels
- MINI Yours exterior badge (on the C-pillar)
- Silver roof and mirror caps

INTERIOR:

- Walknappa steering wheel with MINI Yours badge
- MINI Yours Lounge leather sport seats
- MINI Yours Shaded Silver interior style
- Anthracite headlining
- MINI Yours badging on floor mats

THE MINI COUNTRYMAN PLUG-IN HYBRID.

MINI ELECTRIC

Model featured: The MINI Countryman Plug-in Hybrid Exclusive with optional White Silver exterior paint, roof and mirror caps in black, Piano Black Exterior, roof rails in black and darkened rear glass.

STANDARD EQUIPMENT.

THE MINI COUNTRYMAN PLUG-IN HYBRID.

The MINI Countryman Plug-in Hybrid combines an electric motor and battery with a conventional petrol engine to offer you the best of both worlds. With a total output of 220hp enabling thrilling acceleration from 0 to 62mph in 6.8 seconds, the e-motor backs up the petrol engine via the boost function and enables electric all-wheel-drive. Standard features include eDrive Services (with the ability to initiate charging, monitor charging status and locate public charging stations), MINI Navigation system with 8.8" centre display screen ❶ and MINI Driving Modes ❷. AC home and AC public charging cables are also available as standard. The battery can be charged both during the journey and externally using the supplied cables ❸.

STANDARD EQUIPMENT HIGHLIGHTS.

IN ADDITION TO THE MINI COUNTRYMAN COOPER S STANDARD EQUIPMENT.

- Automatic transmission
- High voltage battery and electric motor
- AC charging (charging flap on front left lower A-panel)
- AC home (occasional 3-pin plug) charging cable (type 2 – 2.3kW)
- AC public charging cable (type 2 – 3.7kW)
- MINI Charging (access to thousands of public charging points in the UK across a range of providers, using just one RFID card or via a mobile app)*
- Acoustic pedestrian protection (external driving noise generated when driving at speeds less than 19mph in pure electric mode to aid pedestrian safety)
- ALL4 Electric (rear axle powered by electric motor and front axle powered by combustion engine)
- Chargeable battery during driving
- eDrive button (change the powertrain preference to AUTO eDRIVE, MAX eDRIVE or SAVE BATTERY)
- eDrive Services (ability to initiate charging, monitor charging status and locate public charging stations)
- MINI Driving Modes (centre toggle switch to control driving mode settings: Sport, Mid, Green; allows adaption to different driving situations and ensures a high driving efficiency and the optimal electric range)
- Pre-conditioning (remotely heat or cool the vehicle prior to departure through the MINI App)

The MINI Countryman Plug-in Hybrid is available in Classic or Exclusive style, for more information about the standard equipment with each style please [click here](#).

PERFORMANCE:

	Petrol engine	Electric motor	Combined
Maximum output:	125hp	95hp	220hp
Maximum torque:	220Nm	165Nm	385Nm

- 0-62mph: 6.8 seconds

BATTERY:

- Battery type: Lithium-Ion
- Gross battery content (high voltage): 10kWh
- Net battery content (high voltage): 8.8kWh
- Battery capacity (high voltage): 34Ah

RANGE AND CONSUMPTION†:

- All Electric Range: 28.0-29.8 miles
- Equivalent All Electric Range: 29.2-31.7 miles
- Fuel consumption (weighted combined): 148.7-156.9mpg (1.9-1.8l/100 km)
- Electric energy consumption (weighted combined): 4.0-4.2 miles/kWh
- CO₂ emissions (weighted combined): 43-41g/km

*For more information about MINI Charging please visit [MINI-Charging.com](#) †These figures were obtained using a combination of battery power and fuel. The MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. Figures shown are for comparability purposes. Only compare fuel consumption, CO₂ and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures have been determined according to the WLTP test. For Charging information please [click here](#).

THE MINI COUNTRYMAN

JOHN COOPER WORKS 306HP.

Model featured: The MINI Countryman John Cooper Works 306hp with optional roof and mirror caps in red, John Cooper Works sport stripes in red, black roof rails and 19" John Cooper Works Circuit Spoke alloy wheels in two-tone.

STANDARD EQUIPMENT.

THE MINI COUNTRYMAN JOHN COOPER WORKS 306HP.

As the ultimate Sport Activity Vehicle, the MINI Countryman John Cooper Works 306hp blends exceptional capability with inspired driving wherever it goes. The standard ALL4 all-wheel-drive provides exciting off-road abilities to go with its powerful forward thrust and extreme traction – just in case you find yourself off paved roads and really want to hit the accelerator.

IN ADDITION / REPLACEMENT TO THE MINI COUNTRYMAN COOPER S STANDARD EQUIPMENT.

PRICES AND SPECIFICATIONS

MINI UK reserves the right to alter prices and specifications without notice. MINI UK has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions.

ON THE ROAD PRICE

The recommended On The Road price is based on the Recommended Retail Price (RRP) and On The Road charges. OTR charges include:

Delivery and MINI Emergency Service	£500
Number plates	£25
Vehicle first registration fee	£55
Vehicle Excise Duty	See right

VED RATES

Annual VED (second year onwards) includes an additional rate of £355 for cars costing over £40,000 which is payable for five years. VED rates for brand new cars are determined by their CO₂ emissions figures. First year VED applies to the first year of ownership. Annual VED rates apply thereafter. The MINI Countryman models are all RDE2 Compliant and fall into one of the categories listed below:

	Petrol			Plug-in Hybrid
CO ₂ emissions (g/km)	131-150	151-170	171-190	1-50
First year VED	£230	£585	£945	£0*
Annual VED – second year onwards (standard rate)	£165	£165	£165	£155*
Annual VED – second year onwards (vehicles over £40,000)	£520	£520	£520	£510*

[†] Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent. ^{††} CO₂ figures were obtained using a combination of battery power and fuel, CO₂ figures shown correspond to weighted combined figures. The MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. * Rates for alternative fuel vehicles including the MINI Countryman Plug-in Hybrid with CO₂ emissions of 43-41g/km.

MINI OWNERSHIP.

IT'S YOUR MINI, BE BOLD.

MINI SERVICE INCLUSIVE.

With MINI Service Inclusive, you can cover your servicing costs for a guaranteed time¹. Protected from price rises or inflation, you're good to go.

For more information please contact your local MINI Centre.

MINI TRACKSTAR.

Locate and recover your vehicle if it is stolen with MINI Trackstar or MINI Trackstar Advance.

Benefits include:

- 24/7 Trackstar Monitoring Centre
- Thatcham accredited
- Integrated motion sensor
- Pan-European protection

MINI Trackstar product offering	Price ⁴
MINI Trackstar S7	£495
MINI Trackstar S5	£549
MINI Trackstar S5 Advance	£649

MINI SHARING.

MINI Sharing is MINI's new peer-to-peer sharing service. It lets you easily share your MINI with your family, friends and colleagues when you don't need it yourself. This mobile solution offers you a shared calendar between you and your drivers. This helps you manage your sharing times and provide keyless access for the drivers to your MINI. But the benefits don't end there. As an owner yourself, you can also use the MINI Sharing app to locate, open, drive and close your MINI with the MINI Sharing app. You can get MINI Sharing directly when ordering your new MINI, and you can also order this option on your current MINI via MINI Aftersales.⁵

[Click here](#) for more information.

MINI Sharing offering	Price
Module and installation	£320 ⁶

MINI PAY MONTHLY SERVICING.

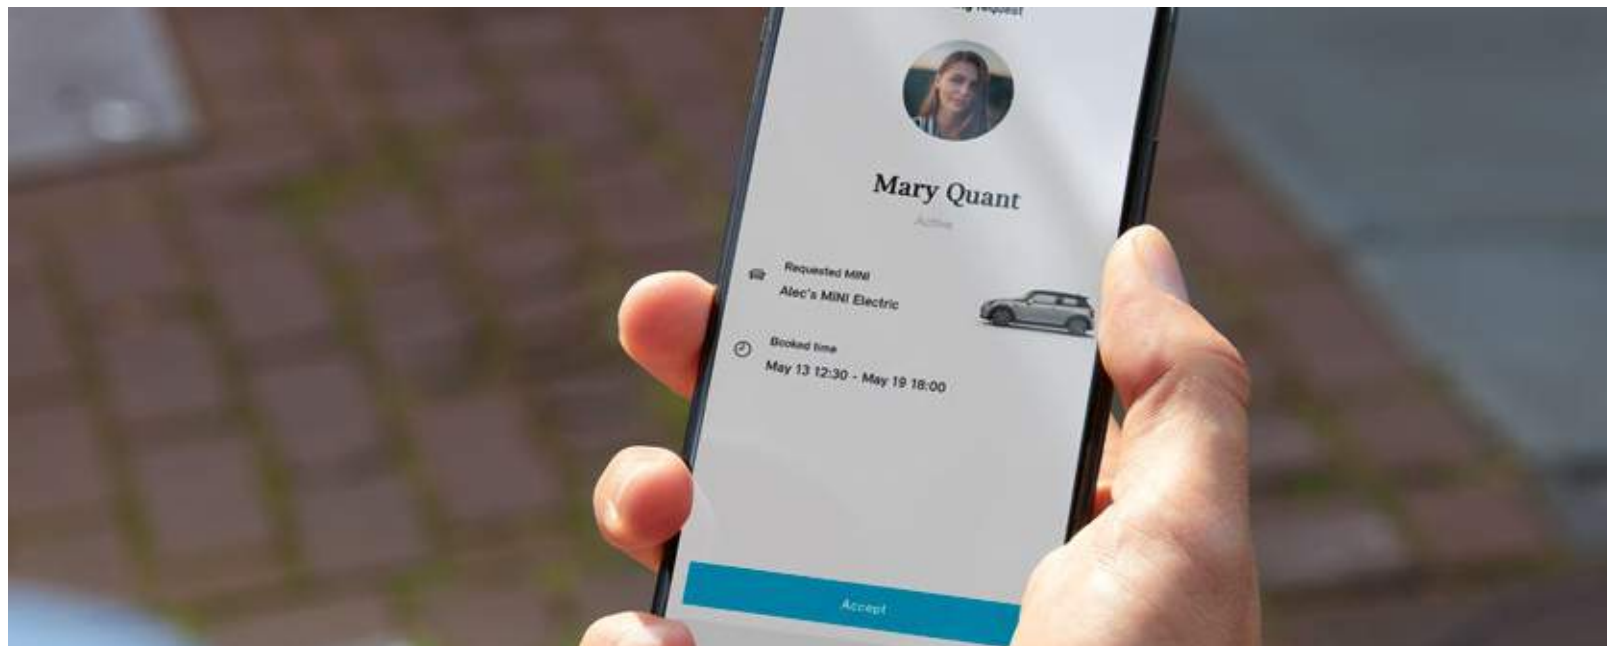

The cost for your MINI Pay Monthly Servicing Plan is fixed for its duration, so you're protected against inflation and any price rises that might happen in the future. If you ever come to sell your MINI, you'll have the option to keep the plan and transfer any unused balance to your new MINI, so no worries about not using all of it.

As well as two services, the MINI Pay Monthly Servicing plan² includes:

- One MOT
- Fluid top-ups
- Seasonal health checks
- Sat Nav Map updates
- Wash and Vacs at each visit

Price from £17.99³ per month.

[Click here](#) for more information.

¹Terms and Conditions Apply. ²Participating MINI Retailers only. We use a third party partner, EMaC, to administer the MINI Service Plan. Both services must be claimed within 4 years or 40,000 miles, whichever occurs soonest. For more information please contact your preferred MINI Centre. ³Price per month for 36 months. Terms and Conditions Apply. ⁴Price excludes subscription, please consult your local MINI Centre for further details. ⁵Your MINI must be built after March 2021

to be able to install MINI Sharing, as Flexible CarSharing Preparation is required. You can check with your local MINI Retailer to make sure your MINI meets the requirements. ⁶Please note retailers may charge an additional cost for fitting.

CONVENIENT CHARGING SOLUTIONS.

THE MINI COUNTRYMAN PLUG-IN HYBRID.

EASY HOME CHARGING OR CHARGING ON THE GO.

The MINI Countryman Plug-in Hybrid includes AC for easy home and public charging.

CHARGING CABLES.

The MINI Countryman Plug-in Hybrid comes with both an AC occasional home charging cable (3-pin plug) and an AC public charging cable (type 2 – 3.7kW) as standard.

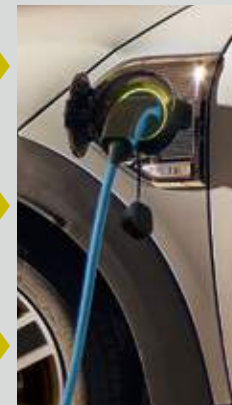

PUBLIC CHARGING.

AC public charging is available with the MINI Countryman Plug-in Hybrid. Just activate your MINI Charging account to access thousands of public charging points in the UK.¹

HOME CHARGING.

You can charge your car at home using the occasional 3-pin plug home charging cable or your Homecharge unit.¹

CHARGING TIME.²

Home charging (AC)

With occasional home charging cable (3-pin plug)	2.3kW	3 hours 48 minutes ³
With Homecharge unit ¹	3.7kW	2 hours 24 minutes ^{4,5}

Public charging (AC)

With AC public charging	3.7kW	2 hours 24 minutes ⁴
-------------------------	-------	---------------------------------

MINI CHARGING.

MINI Charging is your gateway to one of the world's largest public charging networks. You will have access¹ to thousands of public charging points in the UK across a range of providers, using just one RFID card or via a mobile app. What's more, your MINI Charging account is also valid across Europe.

You can monitor your charging history directly from your account, and you can find MINI Charging locations via the MINI Charging App or on MINI-Charging.com

PARTNERSHIP WITH POD POINT.

For home charging you can use the Pod Point Solo 3 Homecharge unit.

For more information please visit

pod-point.com/guides/vehicles/mini/2017/countryman-phev

¹For more information about MINI Charging please visit MINI-Charging.com ²Source: Zap-Map. ³The Homecharge unit is not included in the price of the car, it has to be purchased separately. For more information please speak to your MINI Retailer. ⁴Charging time corresponds to an 80% charge. Charging times are approximate and may vary depending on various factors such as the type and condition of the charger and the temperature of the battery at the point of use. ⁵A 100% charge is achieved in 5 hours. ⁶A 100% charge is achieved in 3 hours 12 minutes. ⁷Charging time applies to any 3.7kW Homecharge unit.

THE MINI APP.

TAP INTO YOUR MINI.

The MINI App is the digital partner to your MINI, connecting you to your car at any time and any place. It helps you to stay informed whilst taking a fresh, modern and intuitive approach. From checking the health and status of your MINI, planning your next adventure, managing the servicing requirements of your MINI or controlling a variety of functions remotely – the MINI App unlocks a world of possibilities and opportunity from the convenience of your phone.

STAY CONNECTED.

With the MINI App, you can immediately benefit from an ever-growing range of convenient features and functions.

CHECK IN.

- Car locked? Windows closed? Fuel needed? Check in at any time to view the status of your MINI from anywhere
- Confirm the last location of your car via the built-in map
- If you're lucky enough to drive more than one MINI, you can switch between cars using the Garage View

TAKE CONTROL.

- Remotely lock and unlock your car with a touch of a button for 24/7 peace of mind
- Ventilate the interior of your MINI prior to your journey
- Pre-heat and condition the cabin for the MINI Countryman Plug-in Hybrid

PLAN TRIPS.

- Search and save addresses and Points of Interest
- Plan ahead and send destinations straight to your MINI
- Review routes, traffic and find possible parking options at your destination

CHECK UP.

- View your vehicle health status for essential maintenance
- Check and receive notifications for any servicing requirements
- Direct access to MINI Roadside Assistance support
- Search for your local MINI Retailer

For more information about the MINI App please check out the [MINI App Discovery Guide](#) or visit mini.co.uk/connected

ELECTRIFIED EXPERIENCE.

The MINI App introduces exclusive functionality for the MINI Countryman Plug-in Hybrid (as well as the MINI Electric) with new charging and electric mobility functions.

CHARGING.

Monitoring your electric charge could not be easier with Charging Push Notifications. You can stay up-to-date with the progress of your vehicles charge via your smartphone notifications so you know exactly when it has completed or if any issues occur. The MINI App also logs your charging history based on the time it took to charge, the charging point location and the additional miles that the charge provided.

ELECTRIC MOBILITY.

Whilst travelling to your destination the integrated map displays a visual range circle that demonstrates the remaining electric miles before you need to re-charge. If you require access to a public charging facility, the MINI App sends you suggestions for the most convenient and available charging stations on your route. Whilst you are waiting, select the temperature that is right for you by pre-conditioning the cabin of your MINI Countryman Plug-in Hybrid, all via the app so you are ready to restart your journey in comfort.

* Range shown includes Untamed Edition models data. ** Figures are for the Petrol engine only. † Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO₂ figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO₂ figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO₂ figures were previously based on the NEDC equivalent. †† Figures were obtained using a combination of battery power and fuel. The MINI Countryman Plug-in Hybrid is a plug-in hybrid vehicle requiring mains electricity for charging. Fuel consumption and CO₂ figures shown correspond to weighted combined figures. ^ Luggage capacity varies depending on whether the rear seats are up or folded down.

MINI SELECT FINANCE.

THE MINI COUNTRYMAN.

16" Revolite Spoke alloy wheels (standard)

MINI Navigation system with 8.8" centre display screen (standard)

Roof rails (standard), Moonwalk Grey exterior colour (standard) and roof and mirror caps in black (no additional cost)

MINI Select Representative example: the MINI Countryman Cooper Classic.

Term of agreement	48 months	Optional final payment [^]	£12,166.99
47 monthly payments of	£400.00	Total amount payable	£33,966.99
On the road cash price*	£28,815.00	Total amount of credit	£25,815.00
Customer deposit	£3,000.00	Rate of interest	6.9% Fixed
Option to purchase fee	£0.00		Representative 6.9% APR

MINI UK, a trading name of BMW (UK) Limited, is a credit broker not a lender.

Representative example is for a MINI Select agreement for a MINI Countryman Cooper Classic with a contract mileage of 32,000 miles and excess mileage charge of 7.48p per mile. Applies for new vehicles ordered between 1 July 2022 and 30 September 2022 and registered by 31 March 2023 (subject to availability) at participating MINI Retailers. Retail customers only. *On the road cash price is based on manufacturer's recommended retail price and includes 3 year MINI Retailer Warranty, MINI Emergency Service, 12 months' road fund licence, vehicle first registration fee, delivery, number plates and VAT. [^]Optional final payment not payable if you opt to return the vehicle at the end of the agreement (vehicle condition, excess mileage and other charges may be payable). Finance available subject to credit acceptance to UK residents aged 18 or over. Guarantees and indemnities may be required. Terms and conditions apply. Offer may be varied, withdrawn or extended at any time. 'MINI Select' is a form of hire-purchase agreement provided by MINI Financial Services, a trading name of BMW Financial Services (GB) Ltd, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. You will have a 14 day statutory right to withdraw from the agreement. MINI UK introduces customers to MINI Financial Services only and does not receive any commission or other payment for the introduction. The introduction does not amount to independent financial advice. Your Retailer will receive commission for introducing customers to MINI Financial Services.

SENSIBLE REASONS TO CHOOSE A MINI.

Exceptional drive, build quality and an array of striking interior design features – all great reasons to buy a MINI but that's certainly not the whole story. Here are some other things you might find interesting:

GENUINE MINI ACCESSORIES.

Genuine MINI Accessories are the only range of products which are approved by the people that build the MINI. Every item is at one with the design, build and spirit of this uncompromising car. New or Approved Used, there are many ways to make your MINI unique with our innovative equipment and Accessories.

Be it exterior styling accessories including decals, alloy wheels, roof rack systems and mirror covers or why not tailor the interior, where the range extends from textile floor mats and door lock caps to MINI Advanced Car Eye 2.0 and Travel and Comfort systems for rear seat entertainment and storage.

Whichever you choose, Genuine MINI Accessories are sure to make your MINI as individual as you. For details of the full range available ask about our MINI Accessory brochures at your local MINI Centre or visit: mini.co.uk/accessories

FINANCE THAT FOCUSES ON YOU.

Driving away in your new MINI could be closer than you think. From getting an online quote, to getting behind the wheel, we make the financing journey easier. We offer three tailored finance products, so whether you want to own or lease your MINI, you'll find a finance product that works for you. Visit mini.co.uk/finance for more information. What's more, you can manage your agreement online with MyMINI Finance.

MINI Select.

Having three options at the end of your agreement makes this our most popular finance product. For new or Approved Used MINIs.

MINI Hire Purchase.

The attraction of MINI Hire Purchase is that there are no mileage restrictions. Better still, when you get to the end of your finance agreement, your MINI is all yours. For new or Approved Used MINIs.

MINI Contract Hire.

Enjoy city thrills or big adventures by simply hiring your MINI instead of owning it. At the end of your agreement, simply hand your MINI back.*
Not available on Approved Used MINIs.

MINI UK, a trading name of BMW (UK) Limited, is a credit broker not a lender.

*Additional charges may be payable for both excess mileage (actual mileage higher than contract mileage) and vehicle condition (British Vehicle Rental and Leasing Association Standards). Finance is subject to status and available to over 18s in the UK only. Guarantees and indemnities may be required. Terms and conditions apply. Finance provided by MINI Financial Services, a trading name of BMW Financial Services (GB) Limited, Summit ONE, Summit Avenue, Farnborough, Hampshire GU14 0FB. MINI UK introduces customers to MINI Financial Services only and does not receive any commission or other payment for the introduction. The introduction does not amount to independent financial advice. Your Retailer may receive commission for introducing customers to MINI Financial Services.
