

STARK VARG EX

FACTORY EDITION

**BUILT BY RACERS,
FOR RACING**

The best of MX. The best of EX.
Hand-picked, part by part, by Sebastien
Tortelli and the Stark Racing Team.

Plenty of titanium, KYB Factory Kits,
and race specific hardware that earns
its place when we race.

Lighter. Faster. Sharper. Whether you're
hunting laptimes or want the bike
everyone's gasping at — this is your bike.
